Office of Special Housing Initiatives**

Certification of Local Neighborhood Investments

Provide evidence of at least two local investments within the past 5 years, from the date of application, within the defined neighborhood for the purpose of neighborhood redevelopment including, but not limited to, the following:

- Targeted investment in housing construction or redevelopment, infrastructure improvements or public facility construction.
- Neighborhood clean-up events (must be within the past two years)
- Formation or activity of a neighborhood-based association of residents, including regular meetings.
- Surveys or assessments of the existing conditions in the area.
- A plan of action for community improvements by a community-based entity or nonprofit organization with a letter of acknowledgement from the chief elected official or administrator of the locality that the locality supports the work of the entity within the area. This action plan can consist of time and effort and does not have to be monetary.
- Other: _____

I certify that neighborhood redevelopment efforts have taken place in _____
_____ (name of neighborhood) within the past 5 years and that _____
_____ (municipal or nonprofit) has provided valid documentation to support this claim.

Applicant: _____
